

Ministry Prayer

Abba, I thank You for Your Wisdom, guidance and peace in my ministry. You are The Source and Supplier of everything I set my hands to and everything I do in ministry prospers and comes to maturity. I'm like a tree firmly planted by the streams of water and I never cease to yield profit for The Kingdom of God.

Abba, I thank You that my ministry has a good reputation and that it's seen well in the minds of volunteers, employees, vendors and those served. I operate my ministry above and beyond the systems of this world. I'm diligent in ministry and stand before kings and not before vile men. I'm a faithful steward over all You've entrusted to me. My ministry is flourishing and I'm experiencing increased opportunities, resources and anointing.

Abba, thank You for the tremendous success my associates and I experience in this ministry and for providing creativity in new ideas, products and servicing concepts. Thank You that all Grace, Favor and earthly blessing abound toward us, so that we always, in all circumstances, whatever the need, are self-sufficient, requiring no aid or support. We're always furnished abundantly for every good work and charitable donation.

Abba, thank You for faithful volunteers, employees and vendors who are committed to this vision. I decree they're diligent, not slothful, serving You and not men. They're highly qualified and skilled, efficient, dedicated individuals, anointed to perform above and beyond their natural strength and abilities.

The Favor of God is upon my ministry and goes before producing supernatural increase, promotion, debt-cancellation, restoration, honor, increased assets, greater victories, recognition, prominence, petitions granted, policies and rules changed and battles won because with God everything's possible for me.

Abba, thank You for perfecting everything that concerns this ministry and for giving me power to get wealth. I declare Your Blessing upon this ministry and partners and give You all the glory for keeping my ministry vibrant, alive and thriving. In Yeshua's Name. Amen
